Dear Jeff Mentel,

On behalf of The Wounded Warrior Project (WWP), we are pleased to inform you that The Hartford Financial Services Group, Inc. has made a generous donation in recognition and appreciation of your valued partnership with The Hartford. WWP is proud to use this gift to aid and assist the truly deserving men and women of our armed forces wounded in the current military conflicts.

WWP's work with severely injured service members begins on the battlefield and continues at the bedside and on as they undergo treatment and rehabilitation in Department of Defense hospitals and Veterans Affairs Medical Centers.

WWP has been able to reach thousands of wounded service men and women and provide comfort items, counseling, and rehabilitation to aid in the transition from a hospital bed to an independent and productive life.

WWP is dedicated to assisting this new generation of severely injured heroes. These men and women who have served with honor deserve our support. Together, with your continuous support, we are able to bring this comfort and support to our wounded service men and women and their families.

Sincerely,

Steven Nardizzi
