Dear Mr. Mentel,

On behalf of YMCA of the USA, it is my pleasure to acknowledge the generous financial contribution made in your honor by The Hartford Financial Services Group, Inc., to a YMCA in your community. This gift recognizes your valued partnership with The Hartford and is an opportunity for The Hartford to support youth development programs focused on helping young people deepen positive values, their motivation to learn and their commitment to service in your community.

For nearly 160 years, the YMCA has been at the heart of community life across the country, working to build healthy spirit, mind and body for all. Each year, more than 21 million people of all ages, faiths, backgrounds, abilities and income levels – including more than 9 million children under the age of 18 – come together at YMCAs throughout the United States.

We are grateful for the generosity and visionary leadership of YMCA donors, volunteers, members and community partners like The Hartford who help advance the YMCA mission. Together we are building strong kids, strong families and strong communities across the nation.

Sincerely,

Neil J. Nicoll  
President and CEO
